

About Institute

Government Polytechnic Thane is one of the oldest polytechnic established in Mumbai region in 1985. The Institute belongs to Government of Maharashtra & under the governance of the Director of Technical education (M.S.) Mumbai. The Institute is affiliated to Maharashtra State Board of Technical Education (MSBTE). The Institute is a co-education institute responsible for imparting industry-responsive Diploma level programs in the field of Engineering, technology & professional education to the Students admitted as per norms stipulated by Government of Maharashtra. The institute is much closer to Industrial area within the developing community. Well established infrastructure facilities are key factors for positive performance. Faculty members are well qualified and capable of conducting continuing educational program for the Industries and the other Organizations.

Vision

To create competent technical manpower to cater Industry and societal needs.

Mission

- 1) To provide an environment that values and encourages knowledge acquisition with

effective implementation of MSBTE curriculum.

- 2) To maintain the state of the art laboratories to develop industrial competencies among the students.
- 3) To empower and motivate faculties towards building their domain expertise in technology and management verticals.
- 4) To groom all round personality of students towards leadership, self-employability, and lifelong learning.
- 5) To enhance educational level, consultancies & technical services for socioeconomic development.

About Refresher Program

Accreditation of Engineering/Diploma Institutes is a symbol of excellence and has becoming mandatory. The accreditation will help institute to achieve higher goals through various state and national level schemes helping in improving the quality of students and faculty. This program will help the participants to understand various terminologies of NBA, preparation of SAR and related documents and achieve excellence through outcome based education.
